

SOURCE ATLANTIC WABUSH BRANCH EXPANSION

Wabush, Newfoundland and Labrador – April 29, 2021– Source Atlantic is excited to announce the expansion of its Wabush branch, located at 4 Second Avenue. This renovation has added 3,600 square feet of showroom and warehouse space, enhancing Source Atlantic’s capabilities to serve customers located throughout Labrador, Fermont Quebec and the Quebec North Shore. With a new total of 10,600 square feet of space, Source Atlantic has expanded its inventory to include a broad range of industrial products, safety supplies, welding consumables, and industrial compressed gases. Our industrial and safety services offering has also expanded to include fit test certification, fall protection certification, and Drager gas detection sales, rentals, and service.

Steve Drummond, President of Source Atlantic, says, “We are proud to expand our presence in Wabush, two years after opening this branch, to better service our customers’ needs for specialized products and technical solutions. This additional space will benefit the customer experience across our open-concept showroom and counter area and support our growing market share in Wabush.”
