

SOURCE ATLANTIC MONCTON BRANCH RELOCATION

Moncton, New Brunswick– April 29, 2020– Source Atlantic is excited to announce that its Moncton branch has relocated to 588 Edinburgh Drive. The new facility is 6,000 square feet larger than the previous, adding volume and variety to its offering of industrial, safety, plumbing and HVAC products to better accommodate the needs of its customers. A much larger showroom and warehouse make it easier for customers to shop the broad range of stocked products, while increasing efficiency of service. Moving to a higher traffic area means that the branch can now expand its service level to accommodate new walk-in customers.

“We are delighted to make the move to a new facility in Moncton,” says Steve Drummond, President of Source Atlantic. “We strive to deliver value and provide better solutions to our customers. With a larger, more efficient facility we can serve new customers and better respond to the needs of our growing market share in the Moncton area.”
