Timmins, Ontario (September 4, 2018) – Soucie Salo Safety is excited to announce the relocation and official opening of our new Soucie Salo Safety location in Timmins, Ontario. Our business is growing and to accommodate that growth we have expanded our footprint in this city. The new branch opened for operation on Tuesday September 4, 2018 and features an open concept showroom with extensive product displays that make it easy for customers to see the broad range of stocked products Soucie Salo Safety offers. The new Riverside Drive branch is conveniently located in the Timmins retail area near Home Depot and Canadian Tire and has lots of parking for quick customer pick up of goods.

“We would like to thank the Timmins and area consumers for supporting our local business for the past seven years.” says Helene Poirier, Vice President of Soucie Salo Safety Timmins, “We believe that the move to the new, larger location will enable us to provide all workers with more selection and allow us to better service the area with both our safety supplies as well as our cleaning products division.”

Steve Drummond, President of Source Atlantic Limited, states “We continue to invest in our facilities and look for ways to enhance customer experience and deliver exceptional value.
